## Five Crash Into West Berlin In Hail Of Gunfire

By MARTIN ZUCKER

BERLIN (AP)—Rags and steel plates protected five young refugees from Communist gunfire as they crashed into West Berlin in a bulldozer.

Two young men, their pregnant wives, and the 4-year-old son of one of the couples crouched Sunday in the speeding bulldozer as it crossed two ditches and crashed through four barbed-wire fences before hitting a tree a few yards inside West Berlin.

Two East German border guards ran toward the vehicle with submachine guns blazing. "We had to get out of the bulldozer. The women jumped first, then we pulled up the bottom of a (garden) fence, let the women crawl through, and followed them," the 24-year-old professional bulldozer operator related.

A witness said one of the refugees, carrying the child in his arms, repeatedly cried "Are we in the West? Are we in the West?"

They were taken to a hospital, where one man and one woman

were treated for slight bullet wounds of the head and released.

West Berlin police said East German border guards fired more than 100 rounds at the fleeing vehicle. Thirty-eight bullets hit it, some piercing the thin armor plating, police said. The driver explained that they had only enough armor plate to shield the gas tank and windows.

"We stuffed rags into the back of the bulldozer's cabin because we ran out of steel plates. That's how we found the way into freedom which was in our hearts for so long," he said.

The driver, his 26-year-old wife, their son, a friend, 29, and his wife, 18, declined to give their names. Both men worked at a nationalized construction company garage about 800 yards from the border.

An East German armored personnel carrier pulled the vehicle back to the East about 90 minutes after the escape. All three Western commanders protested the gunfire, terming it "totally irresponsible behavior on the part of the border guards, involving also grave danger to lives in West Berlin."

## Youth Beat

Youth Beat, a news and notes column for teenagers, begins Friday in the Escanaba Daily Press.

The national report on what's happening, Youth Beat provides information on fashions, fads, music, sports and hobbies, schools and colleges. The column is written by Ralph Hartell, veteran newsman and experienced teen counselor and teacher.

Watch for Youth Beat Friday.

## Small Plane Crash Fatal To Three

OWOSSO (AP)—The pilot and two passengers were killed Sunday when a small private plane crashed and burned in a heavy fog 10 miles northeast of Owosso.

The single engine Cessna 180 crashed on a farm operated by Emerson Diffin who told authorities he heard a plane circle the area shortly after 8 a.m. during a heavy fog. Diffin said he discovered the wreckage.

## Mansfield Will Press Europe Force Cutback

WASHINGTON (AP)—Despite President Johnson's opposition, Sen. Mike Mansfield said today he intends to press his attempt to put the Senate on record for substantial reductions of U.S. forces in Europe.

But the Senate Democratic leader said in an interview he will leave it to the Senate to decide whether the resolution urging the cutback should be the subject of public hearings.

The Montana senator previously planned to call up the resolution without such hearings. But Republican Leader Everett M. Dirksen objected, contending that the issues involved are too complex for the Senate to act until it knows where it is going.

Johnson told a news conference last Thursday he doesn't think "this involved problem can be solved by Senate resolutions." He said there must be consultation and agreement with U.S. allies in the North Atlantic Treaty Organization (NATO) over necessary military strength and how to apportion it.

Mansfield said he is in complete accord that there must be allied consultation and that the United States could not afford to act alone to reduce its troop contribution.

"But the European nations have been acting unilaterally in regard to their responsibilities in this matter," he said. "Some of them have abolished conscription, at least one of them (France) is withdrawing its troops and others are failing to fulfill their commitments to NATO."

## World Journal Tribune Hits Streets Today

NEW YORK (AP)—The World Journal Tribune made its debut today — 4½ months late because of labor difficulties.

The press run of the first edition, which was scheduled for 9 a.m., was delayed for more than an hour by what President Matt Meyer called first-day "normal confusion."

Mayor John V. Lindsay was to have pushed a button to start the 900,000 copy press run, but he had to leave before it was ready to roll.

Lindsay was presented with a proof of page one of the new afternoon paper, which will sell for 10 cents. The Sunday edition will cost 30 cents in the city, 35 cents in the suburbs.

## Broadside Crash Is Fatal To Five

By The Associated Press

Five persons, including three members of one family, died as Michigan traffic accidents claimed 18 lives during the weekend.

The five were killed Saturday night in the broadside collision of two cars at M 21 and M 13 nine miles west of Flint.

Police said one auto, carrying four persons, stopped at a traffic sign, proceeded into the intersection and was rammed by the second car.

# Gemini 11 Thunders Off In Pursuit Of Agena Satellite

## Begin Hearings Today On Key Anti-Inflation Action In Committee

WASHINGTON (AP)—Administration officials carry a key portion of President Johnson's anti-inflation package before the House Ways and Means Committee today.

Secretary of the Treasury Henry H. Fowler was to be the first witness as the committee opened hearings on Johnson's proposals, to be followed by Secretary of Commerce John T. Connor and Budget Director Charles L. Schultz.

The President recommended legislation Thursday to suspend for 18 months the 7 per cent investment credit given to industry for outlays on new plants and equipment.

Johnson also urged a temporary end to the rapid write-off for federal tax purposes of depreciation on new commercial and industrial buildings.

Fowler has opposed such action in the past, saying it would be a breach of faith with industry and a delayed-action device whose effect may not be felt for about a year when its effect may be harmful instead of helpful.

But he said Saturday the proposal will have some effect in reducing credit demand. He declined to estimate how much. Businessmen generally have been critical of the administration proposals although some,

## Violence Hits Atlanta Again

ATLANTA, Ga. (AP)—Racial violence — accented with relieving marches — erupted in a predominantly Negro area of Atlanta for two straight nights. Injuries were light in the rioting that continued until calm was restored early today. Several arrests were made.

Mayor Ivan Allen Jr. threw open the doors of his office and appealed for Negro leaders to present their problems and possible solutions to the violence.

Allen, who waded into the middle of riots in his city Tuesday and Saturday, rushed to the scene again Sunday night after a blazing fire bomb signaled the beginning of more violence.

Only a few hours earlier he had offered a \$10,000 reward for information leading to the arrest and conviction of the person responsible for the death of Hubert Vorner, 16.

Sporadic violence punctured the rioting Sunday night and intermittently fractured a volatile, unspoken truce brought about largely through the efforts of Negro and white ministers and social workers.

## Order Quiz Of Landfill Permit In Dunes Area

CHICAGO (AP)—The Secretary of the Army has ordered an investigation, including public hearings, to be completed by Oct. 10 on a controversial landfill project only 2,000 feet from the proposed Dunes National Park in Indiana.

Rep. Roman D. Pucinski, D-Ill., said Saturday he was informed that Secretary Stanley R. Resor also had suspended the permit issued Aug. 26 to Bethlehem Steel Co. to fill the 335-acre Lake Michigan shore area.

The Interior Department, conservationists and other officials objected to the issuance of the permit because there were no hearings held by the Army Corp of Engineers.

The secretary of the interior also suggested that the permit issuance should be delayed until congress takes final action on the Indiana Dunes National Lakeshore Bill sponsored by Pucinski and Sen. Paul H. Douglas, D-Ill.

The bill has been passed in the Senate and now rests in the House Rules Committee.

Bethlehem Steel requested the landfill permit for the purpose of expanding a plant, built in 1962, into a fully integrated steel mill.

Resor also directed the chief of the Army Corps of Engineers to allow 10 days public notice for the hearings on the landfill.

The Chicago Sun-Times published Sept. 4 an exclusive report that the decision to allow Bethlehem Steel to fill in the lake was recommended by a Corps of Engineers official who has previously supported the firm in hearings on filling in lake shore acreage.

The Sun-Times said the official, Lynn S. Kregler, testified in Bethlehem's behalf twice in 1962 when he was employed by a dredging firm that purchased large quantities of sand from Bethlehem.

Kregler is chief of the operations division of the Chicago District of the Corps of Engineers.

PREMIER NGUYEN Cao Ky of South Viet Nam watches as his wife, Mai, casts her ballot in box at polling station at Tan Son Nhut military airport Sunday during election to name an assembly to write a new constitution. The Premier had already cast his ballot. (AP Wirephoto by radio from Saigon)

## South Viet Voters Elect Assembly In Sunday's Balloting

SAIGON, South Viet Nam (AP)—Premier Nguyen Cao Ky said today that 80 per cent of South Viet Nam's voters had turned out for the national elections which spelled the beginning of the end for the Communists.

"We now have the conditions for final victory," the premier said at a gala diplomatic and press conference at which all members of the ruling military council appeared.

The new assembly of 117 representatives elected to write a new constitution will meet Sept. 26 and Ky said they should finish their work "as soon as possible."

The new assembly of 117 representatives elected to write a new constitution, included 22 teachers, 20 military men, 18 civil servants, 17 provincial councilors, 15 professional people, eight farmers, three judges and three others.

Only one woman, of 18 female candidates, was successful. The average age of the assembly is 40.

Gen. Thang said that on election day there were 5,289,632 eligible voters. Of this number 4,274,812 went to the polls. Thang admitted that among

the voters some cast blank ballots of protest, but said the number was far smaller than the 15 per cent who cast defaced ballots in the 1963 provincial elections. He gave no figure however.

Ky, resplendent in a black tailored uniform, lavender neck scarf and six rows of bright ribbons on his chest, said the elections were "a victory of the entire free world against the efforts of evil forces to enslave mankind."

"Never before have the Communists tried as hard to sabotage anything as they did yesterday," Ky said. "Never before have they failed as yesterday."

## Unlawful Meat Ring Is Raided

LANSING (AP)—A Grand Rapids - based "illegal meat ring" was broken up today after months of investigation, Atty. Gen. Frank Kelley announced.

Using 10 "marked cows," the attorney general's office, State Police, the Michigan Department of Agriculture and Kent County officials broke up a ring that passed an estimated 250,000 pounds of illegally slaughtered meat a year into commercial channels, Kelley said.

Five West Michigan men have been arrested, Kelley said at a news conference, and warrants for conspiracy to violate Michigan agriculture laws — a felony — are being prepared.

Working through the night, investigators raided the Cooper Tankage Co., a nearby slaughtering house, and Thomasma Meat Products, Inc., a processor.

They were armed with search warrants signed by Grand Rapids Municipal Judge John Letts.

Arrested were Roy Cooper, 62, of Rockford; John Thomasma of Holland; William (Billy) Peltzman of Rockford; Gerhard Ritsma, 31, of Holland, and Edwin Lee McIntyre, 24, of Holland.

## Deer Check

WESTBORO, Mass. (AP)—The State Fisheries and Game Board has instituted a deer check system.

Hunters who shoot either a buck or a doe anywhere in the state will be required to bring the animal to one of the 36 checking stations to be set up during both the archery and shotgun seasons.

Previously, hunters had to report their kills by letter to the state.

## Space Docking Try Will Come At About Noon

BULLETIN  
CAPE KENNEDY, Fla. (AP)—The Gemini 11 astronauts successfully linked up with an Agena satellite high over the United States today, climaxing a dramatic space chase in which they caught their target in record time.

CAPE KENNEDY, Fla. (AP)—The Gemini 11 astronauts thundered into orbit today, ending three days of frustrating delay, and began stalking an Agena satellite across the sky at five miles a second.

Two lonely explorers speeding through uncharted heavens, Navy Cmdr. Charles Conrad Jr. and Lt. Cmdr. Richard F. Gordon Jr. aimed to rendezvous and link up with the Agena in record time.

The seasoned pilots, who endured two 11th hour postponements and a last-minute, quarter-hour delay of these three adventurous days in space, relied on sensitive instruments and their judgment as fliers to seek out the fleeting target.

"Eleven is go," Conrad exclaimed as the booster rocketed him skyward from Cape Kennedy.

"Looks Good"  
"You are go for M equal one," the Mission Control Center told the astronauts as their tiny spaceship swept into orbit more than 100 miles above the earth.

This was the designation for Gemini 11's plan to rendezvous with the Agena target satellite in the first orbit.

"Roger," replied command pilot Conrad.

As the great rocket rose skyward, green lights flashed across the boards in the control center in Houston, Tex.

"Everything looks good," the control center told the astronauts about half way through the six-minute flight of the Titan 2.

From atop the Titan rocket, the astronaut had followed the progress of the Atlas as it darted away at 8:05 a.m. and blasted the 26-foot-long Agena into a path around the earth.

Their countdown, started and interrupted twice last week, ticked smoothly toward the intended liftoff of 9:42 a.m. (EST).

Told of Agena Progress  
They couldn't see the fiery departure of the Atlas because their cramped capsule faced straight up. But they were given radio reports and were told that the 7,000-pound Agena had raced into orbit.

The space agency said initial tracking reports indicated the Agena's orbit ranged from 183 to 189 miles above the earth, very near the 185-mile-high circular orbit that was planned.

Just two minutes before the Atlas-Agena was to lift off, at 7:49 a.m. a 16-minute delay was forced by a balky hatch over command pilot Conrad in the Gemini 11 spacecraft. Checks showed it hadn't sealed properly.

Technicians re-opened the hatch, then closed it again and finally got the problem whipped. Besides the trouble with the hatch, there were two other minor problems.

A countdown clock on one rocket had to stop momentarily to become perfectly timed with another clock entering the countdown, and a sliver of metal was found in a fuel line that feeds Gemini 11's Titan 2 rocket.

Delayed Twice  
The sliver was "noticed, isolated and ignored," officials said, because two filters stood between it and the Titan 2 rocket, eliminating any chance that it might have caused a problem.

No countdown hold was called. The start of the three-day flight was delayed on Friday when a pinhole leak was found in the Titan fuel system. It was plugged with a goosy seal worth less than a penny.

## Today's Chuckle

There's one thing you can say for the men in charge of our Government — they're running it like nobody's business.

PARTICIPATING in the laying of the cornerstone for the handsome new edifice of Central Methodist Church on S. 23rd St. at noon Sunday were, from left: Dr. Arno Whipple, John Holland, Don Guindon, Jack Williams, Rev. Robert L. Selberg, and the Rev. Karl J. Hammar, pastor emeritus. The church will be consecrated in services on Sept. 25. (Daily Press Photo)

ONE OF THE demonstrations at the Menominee County Timbersmen's Association picnic at Shakey Lakes County Park west of Stephenson on Sunday afternoon was one-armed chainsawing. The demonstration was by Joseph Kanyuh of Ingallston, a one-armed taveren owner who is a part-time timber harvester. Here he is pictured cutting through a 12-inch peeled popple log in 63.6 seconds. (Daily Press Photo)

### Menominee County Outing

## Loggers Have Lively Picnic

The agricultural fair grew out of the interest of farmers in their way of life and the woodcutters' fair seems to be starting out in the same way. Menominee County had an agricultural fair at Menominee from early in this century. Although farming increased, the fair expired, after a brief period of years of a last stand at Stephenson.

It was succeeded by the Menominee County Dairy Day Picnic at Shakey Lakes County Park west of Stephenson. That fair has declined in animal numbers, too, like the rest of the Peninsula's agricultural expositions.

New Kind Of Fair  
On Sunday in Shakey Lakes Park there was a gathering of

more than 2,000 persons for the first annual picnic outing of the Menominee County Timbersmen's Association. It looks like a lively new entry in the fair business.

The Timbersmen's Association was only formed in February

### Newsman Hurt By Cong Mine

SAIGON (AP) — Two American newsmen and a Japanese correspondent were slightly wounded by a Viet Cong claymore mine Sunday while covering the national elections in a village near Saigon.

They were Don Oberdorfer of Knight Newspapers; Dale Minor of radio station WBAI of New York City and Yoshitugu Yanagihara of the Japanese Newspaper Mainichi.

All three suffered scratches and cuts and were not hospitalized.

They were on a tour of polling places when the mine went off near Lai Thieu, five miles north of Saigon.

### Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were

so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®) — discovery of a world-famous research institute.

This substance is now available in suppository or ointment form under the name Preparation 170. At all drug counters.

## Board To Open Bids On Schools

The Escanaba Area Board of Education will open bids for additions to three elementary schools under the bond issue passed last spring when it meets in regular session at 8 p.m. Tuesday at the School Administration Building.

Bids will be taken on the planned 10-room addition to the John Lemmer School, the two-classroom and multi-purpose

room addition at Soo Hill, and the multi-purpose room addition to the Wells School.

In the \$1.45 million bond issue, the Board has estimated costs for the projects at \$132,000 for Lemmer, \$102,000 for Soo Hill and \$72,000 for Wells.

When bids were taken on the Franklin and Southside schools, however, total contract costs hit \$578,838 compared to the \$522,000 anticipated. And that figure was reached only after some adjustments were made in building specifications after negotiations with the general contractor.

At the time of the bid awarding, the Board indicated it would make up the difference between the bond issue estimated and the final figure by using site acquisition funds from the bond issue and also interest earned on the \$1.45 million.

Also included in the bond issue are plans for a new Washington School at an estimated cost of \$262,000 and a new boiler plant for the junior high school at an estimated \$64,000. As yet, there are no provisions in case bids come in above estimates.

In other action scheduled on the agenda prepared by Supt. Luther M. Barrett, the Board is expected to approve the final master contract between the school district and the Escanaba Education Association and open fuel oil bids.

The Board is also expected to routinely consider payment of accounts, give authorization to borrow money against anticipated state aid, and discuss salaries of driver education instructors.

Supt. Barrett has also listed several items for discussion.

### Cyclist Injured On Rural Road

A 19-year-old Rock boy hospitalized Sunday with injuries suffered in a motorbike accident in Maple Ridge Township was reported in "fair" condition this morning at St. Francis Hospital.

State Police said Michael D. Kulack, Box 354, Rock, was injured when he hit a rock and lost control of his motorbike at the intersection of County Rd. 432 and County Rd. H-23. Troopers said he was taken to St. Francis Hospital by his parents.

Hospital officials today reported he suffered chest injuries.

The accident, one of several investigated by local police over the weekend, was the only one involving injury.

A U.S. Post Office truck driven by John F. McGraw, 36, of 2306 14th Ave., S., was spun around and turned on its side in an accident at 11:55 a.m. Saturday.

Escanaba Police said the truck collided with a car driven by Lucille H. Martin, 51, of Rte. 2, Bark River, at the intersection of US-241 and 15th Ave. N. McGraw was driving west on N. 15th St. and the Martin car north on the highway, officers said.

McGraw was ticketed for failing to yield the right of way.

City police also issued tickets to Frank A. Rivers, Rte. 1, Gladstone, speeding; Darlene Dart, 1523 Ludington St., defective muffler; George E. Leach, Chicago, careless driving and excessive noise; John R. Summers, 308 N. 19th St., disobeyed red light; Randall J. King, Rte. 1, Gladstone, improper right turn; Fredrick N. Deno, 522 N. 19th St., speeding; Terrence J. Sovey, 1320 N. 22nd St., failed to stop for flashing train signal; Dennis D. Erickson, Rte. 1, Bark River, speeding; Joseph N. Vardian, 328 S. 17th St., speeding; Timothy H. Goymerac, 1407 N. 18th St., speeding; Raymond L. Hansen, 218 Stephenson Ave., careless driving; Patrick P. Coan, 413 S. 7th St., careless driving; Frank A. Lombardi, Rte. 1, Escanaba and Kenneth J. Mahoney, 1100 S. 19th St., competitive driving.

### State Award Is Given To Auditor

First maximum award of \$1,000 in state government's suggestion award program has been earned by Thomas M. Hoatlin, a Lansing employee of the Department of Treasury, Governor George Romney announces. Hoatlin, an auditor, suggested a shortcut which has eliminated field checks on tax returns originally reported as delinquent but paid up prior to the time a field examiner calls on the taxpayer. The suggested procedure was used on a five-month trial basis and resulted in a first year net tangible savings to the State of more than \$11,000.

Amunson reached the South Pole on Dec. 11, 1911.

### War Films Are Highlights On Educational TV

Tonight's telecast of two West German documentaries dealing with the war in Viet Nam highlights the programming this week on Northern Michigan University's educational television network, WNMR-TV.

A German view of the undeclared war will be presented at 8 p.m. tonight. Immediately following "Viet Nam," the thoughts and feelings of a teen-ager American draftee bound for Asia will be examined on "G. I. Joe."

Other featured programs: "Wildcat Hillies," at 10 p.m. tonight, film of Saturday's NMU football game.

"Minds Behind War," 8:30 p.m. Tuesday, assesses strategy of General Douglas MacArthur.

"Eisenstein" 8 p.m. Wednesday, full-length biographical film on Albert Einstein.

"Northern Dimensions," 9 p.m. Wednesday features interviews with members of NMU's music department.

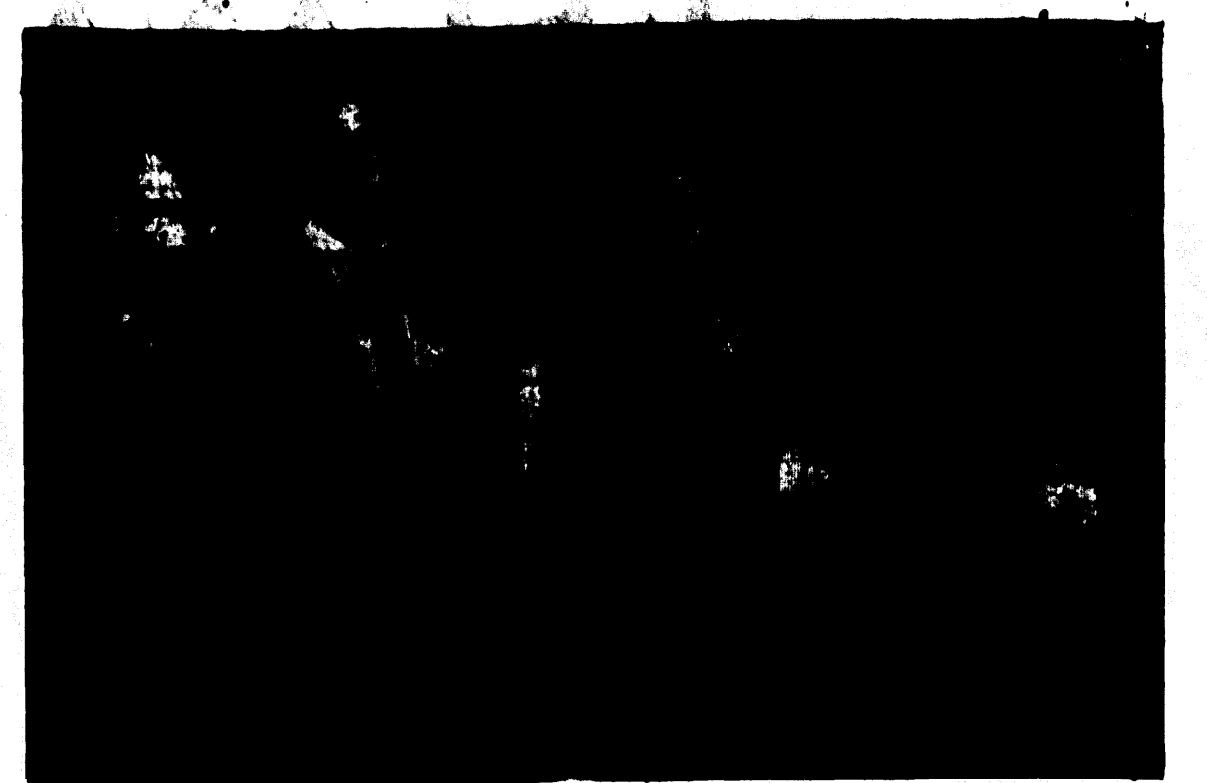

"El Pessebre," the religious oratorio written by Pablo Casals will be telecast at 8 p.m. Friday.

Sealed bids will be received by the Forest Supervisor, Escanaba, Michigan, up to 2:30 P.M. (EST) October 13, 1966, for an estimated 14,400 trees containing 1256 rough cords of Jack Pine pulpwood marked or otherwise designated for cutting. The above volume is to be accepted as final. The minimum acceptable bid rate is \$5124.48. Additional deposit required for slash disposal is \$301.44. The required bid guarantee is \$200.00. The right to reject any and all bids is reserved. Full information concerning the timber, the conditions of sale, and submission of bids should be obtained from the District Ranger, Manistique, Michigan, or Forest Supervisor, U.S. Forest Service, Escanaba, Michigan.

## Duck Crop Is Best In Years

The best duck crop in many years is being reared and ready to move down the flyways. . . . Good rainfall across the western Canada prairie provinces has safely matured the excellent duck crop forecast earlier by Ducks Unlimited. . . . The hunters' luck will now be decided by the tricky triumvirate of weather, wind and water.

Salient observations in the September issue of the Ducks Unlimited "Duckological", prepared by General Manager Angus Gavin.

Early broods, now strong in flight, are massing with adults on the larger marshes in preparation for the flight south. Many late broods have yet to fly, but there is no lack of water except in very local areas. Some blue-winged teal and pintail have already gone south.

The report cites a "large early movement of geese into central Alberta. . . . good numbers of Canada geese, white-fronts and some snows in the Hanna district."

Annual D.U. aerial survey of northern areas revealed that the ducks this year are on the prairies. Surveyors found northern water levels high and, except for Manitoba, fewer ducks than last year. Manitoba increase was deemed "significant."

Duck populations in the Saskatchewan River Delta termed "excellent". An extremely heavy population reported on the Saskatchewan Lake project near The Pas. The Winnipegosis area also turned up a good increase.

August rains fell where most needed. Wettest August on record in area south and east of restored to May levels and excellent conditions eastward into Saskatchewan. Promise of a good water carry-over for '67.

More people get more news from newspapers than from all other sources combined.

## Challenger Heard At Spalding

# Ruppe Says Clevenger Doesn't Vote U.P.

Philip E. Ruppe, Republican nominee for Congress in the 11th District, suggested a Romney-Ruppe, state-federal team to perk up the economy of the district the way Governor Romney has perked up the economy of the state in a talk to 500 diners at St. Francis Xavier Hall at Powers-Spalding Sunday night.

Ruppe charged in the talk, his most critical to date, that incumbent Congressman Raymond Clevenger had served the interests of the Johnson Administration in Congress and not those of the 11th District.

He repeated his challenge to Clevenger to debate him on the congressman's record of voting foreign aid to nations that are trading with our enemy in the war in Viet Nam and one other issue.

"The Romneys," said Ruppe to the meeting sponsored by the Menominee County Citizens for Ruppe organization and chaired by its co-chairman, Mrs. Norman Tuinstra of Daggett, "exemplify the best in politics. Mrs. Romney has spent four days this week showing my wife the ropes and showing the Romneys' concern for the Upper Peninsula."

Romme Team  
"There could be no better reason for my candidacy than to work with Governor Romney to build up the 11th District. Under him our tourism has grown to \$1 billion a year and Michigan has had \$2.3 billion in industrial investment since he became governor. That's the kind of progress I'd like to develop for Northern Michigan."

"The incumbent congressman hasn't given us the kind of representation in Washington that we deserve. On issue after issue he has voted against the Upper Peninsula."

"He has been silent on the subject of inflation and last month the cost of living went up four tenths of a per cent again. That's at the rate of 4.8 per cent annually, so it eliminates the benefit of any 5 per cent wage increase you got in the year. Persons on pensions, on social security and those working for the government are going to fall behind on income this year."

Foreign Aid  
"Our congressman has said nothing about the increasing

**BACKACHE & TENSION**  
SECONDARY TO  
After 50, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from headaches, backaches and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at drugists. Feel better fast. Adv.

MENOMINEE COUNTY Citizens for Ruppe leaders who sponsored a dinner meeting Sunday night in Powers-Spalding for Philip E. Ruppe of Houghton, Republican nominee for Congress in the 11th District, included, from left: Mrs. Elmer Pipkorn, Marvin Ray, Mrs. Harlan Hanson, Philip

Ruppe, Mrs. Norman Tuinstra, Mrs. James Casebeer. At right is James Goulette of Iron Mountain, Republican nominee for state representative in the 100th District. (Daily Press Photo)

cost of living and he's strangely silent on other issues. He has totally gone along with the foreign aid program of the Johnson Administration and it has authorized and spent \$6 billion around the world in the last year and made bargain sales of wheat to people like Nasser in Egypt who lets mobs burn our libraries there. Sukarno was a total communist and with Russia in every instance but we gave him wheat when he headed Indonesia."

## Deltans Among NMU's Nursing School Grads

MARQUETTE — Graduation ceremonies for 63 students enrolled in the practical nursing program at Northern Michigan University's Practical Nurse Education Center will be held at 2 p.m. Sept. 16. Graduates have received their basic instruction at St. Luke's Hospital, Marquette, at the NMU Nursing Education Center, and their clinical instruction at U.P. hospitals.

Members of the graduating class include: Joyce Link, Engadine; Vernice Lindquist, Engadine; Bonnie Saxe, Escanaba; Bonnie Carriere, Gladstone; Donna Freeland, Manistique; Kathryn Frazier, Nubinway; Judith Schultz and Sandra Spinich, Newberry; and Brenda Kerr, St. Ignace.

## Flat Rock PTC Meets Sept. 13

The first meeting of the Flat Rock Parent Teacher Club will be Tuesday, Sept. 13 in the multi-purpose room at the school at 8:15 p.m. Paul Cowen of Gladstone High School music department will discuss the band program for the school. Supt. Leo J. Brunelle will introduce the teaching staff and a question and answer session on school activities will follow. Refreshments will be served by the faculty and PTC officers.

## Hospital

Mrs. Roy Olson returned from St. Luke's hospital, Marquette, after major surgery.

"When the Republicans propose cutting out aid to persons trading with our enemies our congressman won't go along. It would never get my vote for foreign aid."

"Last year the government gave \$10 million to Chile to expand copper production and subsidize imports to the U.S. At Calumet, Calumet & Hecla, Inc. is hopeful of spending \$50 million in copper mining development. If our country has \$10 million to spend on the copper industry it should help Calumet & Hecla put our men to work first and it's time somebody said so."

Tax Votes  
"In Gogebic County 18 mines have closed and not one is working. If we have \$10 mil-

## Briefly Told

Regular meeting of Municipal Employees Union 78 will be held at Carpenter's Hall at 7:30 p.m., Sept. 13.

The Humane Society will meet at the Chamber of Commerce building, Wednesday at 7:30 p.m. All members are urged to attend.

Hawatha Lodge 281 will hold their regular monthly meeting Sept. 13 at 7:30 p.m. in Eagles Clubroom. Hostesses will be Mrs. Peter O'Donnell and Mrs. Clinton Preister.

Silhouette's TOP's Club will meet tonight in room 280 of Junior High School. Weigh-in will start at 7:30 and the meeting will start at 7:45.

Knight's of Columbus Council 840 will hold their regular meeting tonight at 8 o'clock in council chambers.

Larry Leonard, 1503 N. 18th St., reported to Escanaba Police that a wallet containing \$80 was taken from his home sometime between 1 a.m. and 6:40 p.m. Saturday. Police are investigating.

Northern Michigan University in cooperation with Bay de Noc Community College will offer to Escanaba area teachers in the fall semester; ED 523 Educational Media, starting Tuesday, Sept. 20, at 6:30 p.m. at Bay College.

American Legion Cloverland Post 82 will hold their regular meeting tonight in the clubrooms. The convention committee will be discussed. It is asked that dues be remitted at this time since so many have already paid. There will be no meeting the third Monday this month.

Gary F. Tryan, 19, of Rte. 1, Escanaba, was ordered to appear before Municipal Judge James Fitzharris on a charge of reckless driving after he was stopped by Escanaba Police shortly before midnight Saturday on Old State Rd. Officers said Tryan was stopped after a 2.4 mile chase at speeds up to 70 miles per hour.

Seven representatives of the Escanaba office of the Sault District of Metropolitan Life Insurance Co. will attend the annual luncheon and meeting of the company's Lakes Chapter, Veterans Association in Milwaukee Sept. 23. They include Joseph Pilotte, C. Vadenais, R. Starrin, Ronald Fiegel, G. MacFarlane, John Mroz and Hazen Hengehe.

lion to spend, let's spend some there.

"Our congressman voted twice against the auto excise tax increase and then he voted for it. It's related to Michigan's greatest job industry and to our important Upper Peninsula copper industry, yet your congressman voted against Michigan's No. 1 employer."

"He has rubber-stamped his ballot and given it to President Johnson and voted against thee people of Northern Michigan."

War Is No. 1 Issue  
"The war in Viet Nam is our No. 1 issue. We have 300,000 men in Viet Nam and 5,000 dead today and I would like to ask the incumbent in Congress why the country lacks unity on this issue. The credibility gap is so wide that it is essential that we ask the government's goals in this war."

"We have heard nothing from our congressman on this and I challenge him on his beliefs and record. Two years ago he challenged the incumbent congressman to debate and it will be interesting to see if he will accept this challenge. I think it would help people make a real decision in this election."

Ruppe said that Democrats in the Legislature killed Governor Romney's program to make the Mackinac Bridge toll free when it could have been done and then enacted a meaningless law to permit refinancing after the interest rates had jumped

and made refinancing impossible. "There's no reason why a Romney-Ruppe team shouldn't work for the elimination of tolls," he said.

Poverty Acent  
"Our congressman voted for \$1.1 billion for Appalachia to bring economic development to that area, but when he initiates legislation to eliminate the Mackinac Bridge tolls he proposes \$4 billion expenditure to remove tolls on bridges and tunnels everywhere. It is preposterous. The Mackinac Bridge is the only bridge situation in the United States where a state is divided and connected by a bridge."

"Governor Romney has paved the way for Oxford Paper Co. to build a paper mill at Munising to make 500 mill jobs and 500 woods jobs. Our congressman puts his time and effort on the poverty program. The impoverished need help but about the only people who seem to benefit from the war on poverty are the people who are fighting it, including our congressman's law partner, who gets \$10,000 a year. For the rest the goal is \$3,000 and you can't keep families supported on that and you can't keep our youth in the Upper Peninsula that way. The U.P. has tremendous potential for development and I feel that as congressman I can sell it."

More Comfort Wearing FALSE TEETH  
Here is a pleasant way to overcome loose plate discomfort, FASTEST, an improved powder, sprinkled on upper and lower plates, holds them firmer so they feel more comfortable. No gummy, gooey, pasty taste or feeling. It's alkaline. Doesn't sour. Checks "plate odor breath." Dentures that fit are essential to health. See your dentist regularly. Get FASTEST at all drug counters. Adv.

## Atomic Energy Program Planned At High Schools

The U.S. Atomic Energy Commission will present a program on peaceful uses of atomic energy Sept. 27 at Escanaba Area High School, Congressman Raymond F. Clevenger announces.

"This Atomic World," a 40-minute assembly program, will outline basic principles of nuclear physics, radioactivity, chain reaction, reactors and their uses, and transmutation and application of radioisotopes in medicine, industry and agriculture.

A radiation counter, a reactor model, a Van de Graaff generator and electrically activated panels will be used by the lecturer.

AEC will present the program at 26 northern Michigan schools between Sept. 12 and Oct. 18.

On Sept. 28, the program will be at Holy Name High School and Sept. 29 at Gladstone High School.

## Ferris Classes 800 Over 1965

BIG RAPIDS (AP) — Ferris State College opened its 83rd year of classes today with an expected enrollment of 6,800 students, 800 above last year's total.

## Obituary

FRED SEGER  
Funeral services for Fred Seger were held 2 p.m. Saturday at Anderson Funeral Home Chapel with Elder Russell Sarasin officiating. Pallbearers were Ernest Fosterling, Con Vermole, Horace Gibbs, John and Lawrence Knauf and Con Coffey. Burial was in Gardens of Rest Cemetery.

## Shopping Districts

The request for a rezoning of a large area west of S. 23rd St., (M-35) from residential to commercial usage has brought Escanaba's city government face-to-face with necessity for a decision on a subject that it has been coping with ineffectually for a decade.

The rezoning is asked to permit the construction of a shopping center which the developers told the City Planning Commission would result in a \$700,000 addition to the city tax valuation.

The presentation suggests that the problem for the city in making its decision is not whether there shall be a shopping center, but only whether it shall be on this proposed site, within the city and contributing tax-wise to it, or outside the city on one of several available sites. Assuredly, say the developers, there will be a shopping center, inside or outside the city.

The proposal is offered in a "you can't stop progress" way and some of the expressions at the Planning Commission's public hearing on the project suggested that the city's labor supports this belief. The opposition presented thus far is not a concerted expression of the present retailing community along Ludington St., but rather the strong voice of individual firms speaking through counsel and of a few individual merchants' expressions.

The opposition cited some community interests involved in the decision, including the preservation of property values in the existing shopping district (a concern of the city for tax revenue as well as of the owners for income). The Planning Commission's leader, Dale Vinette, said that the commission had, over the years, worked for a consolidation of the city's shopping establishments and that the shopping center proposal was not really a new one, but a renewal of an effort to which the commission had earlier denied approval.

Vinette said that the commission would make a recommendation soon to the City Council, which will make the final decision on the shopping center project as far as rezoning to permit it is concerned. The Ludington St. interests which were heard in opposition—actually the Walch Development Co., which is the petitioner for the zoning change, has substantial business interests on Ludington St., too—urged a delay in decision to give time for study of the situation and its effect on the community.

Vinette stressed that the project is not new and so the recommendation will not be hasty, but he indicated that it would be soon. Why, then, countered the opposition, is the city spending \$25,000 of its own and federal funds for city planning and not waiting on the report of its professional planners before approving start of a competitive shopping center? (The planning will take 18 months and be completed in July, 1967. About half the field work is done now.)

The professional planners have already suggested to city council that the city acquire two parking lots in the downtown area without waiting for the final master plan for the city's development. And they have indicated in public statements that—as a basic rule of community planning—the city should regard the proposed shopping center as a serious threat to, if not a coffin nail in city plans for a broad program of downtown renewal.

The downtown needs the renewal. The city shopping district's failure to grow and improve has been the community's greatest single failure in an era of great community upgrading in schools, public buildings, industry, churches, housing and other elements.

Vinette complimented the assemblage at the Planning Commission's public hearing on rezoning on its serious approach to the subject. The subject is a very serious one for the city. The community's natural inclination to welcome new venture, competition and investment puts to test the city government's dependence upon zoning as an instrument for control of the order and quality of community development within the corporate limits.

The tendency in public thought about the issue, we fear, will be to oversimplify the implications. What city authorities do here will become a major policy decision for the development of the community, affecting city planning for a generation.

## The Doctor Says:

### Danger Besets Children In Car

By DR. WAYNE G. BRANDSTADT

A mother left her three children, all under 5, in her auto while she gave a pint of blood to a blood bank. She remembered to shut off the motor but when she came back to the auto the children were dead.

As a safety precaution she had closed all the windows and locked the doors. The children died of asphyxiation. One small child alone might have survived but three used up the available oxygen at an accelerated rate. Abandoned refrigerators are not the only way small children can be asphyxiated.

Let us suppose for a moment that, when the mother returned to the car, the children were unconscious, but not dead. What steps would be necessary

## Questions And Answers

Q—For whom was the month of May named?

A—A pre-Christian Roman goddess, Maia, mother of Hermes and Zeus.

Q—Which is the earliest of the Gospels of the New Testament?

A—The Gospel of Saint Mark is generally considered to be the earliest of the Gospels.

Q—What is the world's newest nation?

A—Guyana, South America, born May 26, 1966 when the colony of British Guiana became independent.

## Sweet Chariot

## Youth Beat Report

### Beatles Are Settling Down

This Fall's Music Beat: Lots more rock and roll, rhythm and blues, and country... on records, radio and juke boxes. It'll be the biggest record season ever. Some new tunes to watch for: The Supremes' "You Can't Hurry Love" is a rouser, their most exciting to date... Ray Charles' "I Chose to Sing the Blues" is a new wild-wailing one. Jan and Dean have just come up with "Fiddle Around," which has a novel rhythm and a teen lyric... and on the back is their "Surfer's Dream," a slow, haunting romance... The Beatles' "Yellow Submarine" was picked as a hit but actually it's the flip side, "Eleanor Rigby" which is catching on... Speaking of the four Britons...

Have The Beatles Settled Down? You might not think it from their explosive tour of the United States recently. But there are signs that the Beatles are settling down. They're asking themselves, "What about our downfall?" Meaning, how long will they last? Now all married (except Paul McCartney, who lives in London near his steady "bird" actress Jane Asher, they've bought big houses in the posh London suburb of Weybridge. They seem to have dug in here... large English gardens, swimming pools. So far there are two Beatle children, Julian Lennon, 3, and Zak Starr, 1. But the Beatles don't mix much with their superconventional British neighbors. They're in and out of each other's houses, tape a lot at night, all still speak out impulsively, and John sometimes wears his zany gorilla suit. Almost as though they're looking forward to it, they talk about their future, their becoming forgotten (but rich forgotten!)

They Say You'll Be Wearing: Highlights in fall clothes for girls department—The younger teen-agers will go for some of the newer, wilder ideas, but college girls still favor sweaters and skirts (hipsters are big this year), pants (including pants suits), too. Girls of all ages still are buying jeans and loafers. The new clothes will range from mini-skirts to simple "body" dresses in knits... Plenty of plaids in everything... At the bottom of the female form—patterned socks, stockings and tights... at the top—caps (since the prediction is "only middle-aged ladies will go bare-headed"). New sleeping shirts are creeping toward being nightgowns—knee-length and ruffles, including adaptations of the male's pleated tuxedo shirt... some with heavily ruffled bibs, cuffs and tails.

Some party professionals will acknowledge privately that over the years this unhappy circumstance has cost the GOP many governorships and Senate and House seats which were either in their hands or ripe for the plucking.

Consequently, the professionals were upset early this summer when Minnesota Republicans chose as their governorship nominee one Harold Levander, widely viewed as the frailest of several prospects. Independent appraisers think his nomination sharply revives hopes of the badly riven Minnesota Democrats.

They hold to this judgment even if the badly battered Gov. Karl Rolvaag should beat out Lt. Gov. A. M. (Sandy) Keith in the Sept. 13 primary. Keith was named over Rolvaag in a stormy convention in June.

The situation in Idaho is perhaps even more to the point. By an astonishing 62-38 margin, Republican voters named a colorless state legislator, Don Samuelson, to be their 1968 governor nominee in place of three-term Gov. Robert Smylie.

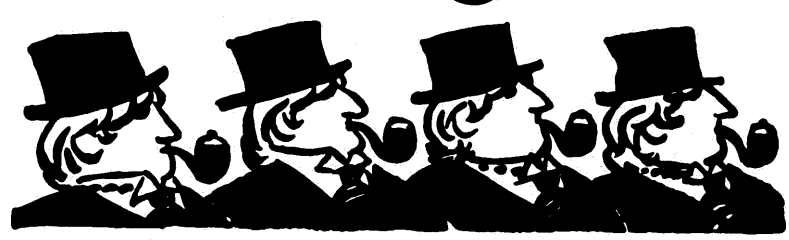

Smylie obviously had come to the end of the road. But he also was given a hefty shove by vengeful Goldwaterites who sought his downfall at all costs. In their book he is an enemy moderate.

What causes concern in national GOP circles is that they put their chips on a candidate whose political salability they themselves appear to doubt.

One month after his whopping victory, Samuelson is getting no real build-up at all. During the primary, he shunned television and seldom advised the press where he would be campaigning. He is hardly more than a shadow figure.

Suddenly, too, the Republican waters in Idaho have been rolled even more. State Sen. Perry Swisher of Pocatello has announced his governorship candidacy as an independent Republican.

On the likely assumption he gets the 1,000 signatures needed to give him a place on the ballot, Swisher could become a major factor in the race. His

Quick Style Note For Boys: French. Here's proof—President de Gaulle has just issued a decree so stiff it would start a revolution in the United States. Signed not only by the general but also by his cabinet, this grim, hooky-punishing edict: orders the police to drag hooky-playing youths off the streets and dump them at the nearest school; tells judges to toss parents in jail for eight days with fines of \$4 to \$8, and fines them \$400 with two months in jail if their children play hooky six or more times a year. Pauvre pere et mere!

Teens Abroad: In France papa pays if Jacques plays hooky—Americans joke about playing hooky, but not the

## Weak Sisters Hurt

By BRUCE BLOSSAT  
WASHINGTON — (NEA) — The Republican party in 1966 seems on the way to repeating, in some measure, an old pattern—here and there picking weak candidates for top office just when the outlook for a sizeable upturn looks bright.

Some party professionals will acknowledge privately that over the years this unhappy circumstance has cost the GOP many governorships and Senate and House seats which were either in their hands or ripe for the plucking.

Consequently, the professionals were upset early this summer when Minnesota Republicans chose as their governorship nominee one Harold Levander, widely viewed as the frailest of several prospects. Independent appraisers think his nomination sharply revives hopes of the badly riven Minnesota Democrats.

They hold to this judgment even if the badly battered Gov. Karl Rolvaag should beat out Lt. Gov. A. M. (Sandy) Keith in the Sept. 13 primary. Keith was named over Rolvaag in a stormy convention in June.

The situation in Idaho is perhaps even more to the point. By an astonishing 62-38 margin, Republican voters named a colorless state legislator, Don Samuelson, to be their 1968 governor nominee in place of three-term Gov. Robert Smylie.

Smylie obviously had come to the end of the road. But he also was given a hefty shove by vengeful Goldwaterites who sought his downfall at all costs. In their book he is an enemy moderate.

## Ann Landers

### Posture, Speech Not Basic Problem

Dear Ann Landers: Without a doubt, my husband has the worst speaking habits in the world. Every sentence is connected with "and" and every other word has an "ah" at the end of it. If he tells a two line joke it has at least seven "you knows" and he is the only one who laughs. A person can get nervous just listening. Everywhere he goes people move away from him.

His posture is disgusting. When he sits down he is so bent over that his nose is in line with his knees. He looks up through his eyebrows to speak and appears to have no neck. I have talked to him about this a couple of times during 20 years of marriage and all he does is glare and tell me I am too critical.

This man is a college graduate and holds a top position. Please tell me what to do about these obnoxious traits. I think his job might be in jeopardy because of them.

Dear Ann Landers: Please don't tell me to mind my own business because if my sister ruins her life and I don't do anything to stop her it will be on my conscience forever.

Dee is only 15. Last week she told me she hates living at home and will do anything to get away. Yesterday she announced that she's going to marry Chuck—a divorced man whose wife walked out four months ago and left him with an infant son. Chuck is 24. His sister is keeping the baby till Chuck remarries.

We have all talked to Dee until we are blue in the face. She is of age in this state and doesn't need permission to marry. Please tell us what to do.

Dear Desperate: If Dee has not gotten married by the time your letter appears in the paper, please ask her to wait one more day—and read tomorrow's column.

Are you at war with your parents? Do they have too much to say in your life? Send for Ann Landers' booklet, "Bugged By Parents? How To Get More Freedom." Send 50c in coin with your request and a long, stamped, self-addressed envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped and self-addressed envelope.

# Women's Activities

hints from  
**Heloise**

By HELOISE CRUSE

Dear Heloise:  
Now that cook-out time is nearly over, may I make a suggestion on storing the barbecue equipment so that it will not rust, and will be in good condition for next year?

We scrub each part (grill, tongs, roasting fork, etc.) with a stiff brush and thick detergent suds.

We rinse and dry them thoroughly, then rub all the metal parts with a film of unsalted vegetable oil to prevent rust.

Then we wrap the parts separately in paper, label each package and store in a dry place.

Our barbecue equipment is six years old and is still in excellent condition.

Henry Williams  
★ ★ ★

Dear Heloise:  
It will soon be time to get out our satin comforts.

This is how I keep mine from slipping off the bed.

I bought two yards of narrow ribbon and cut it in half. Then folded the pieces in half and stitched one at each corner at the bottom end of the cover.

I tie the ribbon around the frame of the bed, and the cover stays put.

Mrs. John J. Beauland  
★ ★ ★

Dear Heloise:  
This is a school hint for mothers who must cover school books.

I have five children all in consecutive grades. I find by using cloth covers, I am able to pass them down through the years.

Last year I hit on the idea of using my husband's old uniforms to make the book covers. The covers can be laundered, and wear exceptionally well.

Mrs. Carolyn Smith  
★ ★ ★

Dear Heloise:  
Being a teacher, I have all sorts of things in my desk drawers.

Quite by accident, I discovered that a couple of magnets were keeping one of my compartments in order.

When I need something, I simply hold up the magnet and pick off the metal article that I need.

Eleanor  
★ ★ ★

Dear Heloise:  
Read your column about a woman who scrubbed her baby's high chair outdoors.

I've been doing it for years, but a neighbor who saw me last week suggested using a clear wax on it when the chair is dry.

Food no longer clings to the chair, and rust has almost stopped.

The scrubbing outside now are fewer.

Mrs. D.  
★ ★ ★

Sponges will stay fresh if they are soaked in cold salt water after a thorough washing.

## St. Anne's Social Club Meets Wednesday

St. Anne's Social Club will meet Wednesday, Sept. 14 at 8 p.m. for the annual Sisters' Party. Refreshments will be served and cards will be played. All women of the parish are invited to attend.

Mrs. Louis Diedrich and Mrs. Gerald Babel are co-chairmen of the event and they will be assisted by the following Mesdames: Charles Touthak, Gerald Londo, Ronald Pertile, James Jacobs, John Sankovitch, Gilbert Bast, Irving Osby, Hubert Boudreau, Fred Boddy, Kenneth Beaudoin, John Holland, Austin Poultot, Lucien Malinowski, Earl Delforge, John Pettin, Arnold Taylor, Walter Caron, Walter Casey Jr., Wallace Pultz, William Richer, Alfred Provencier, Med Beaudoin and Miss Theodora Kleinschmidt.

## Church Events

W.S.C.S.

Women's Society of Christian Service will hold a meeting at Bark River Methodist Church, Wednesday, Sept. 14 at 8 p.m. Mr. and Mrs. Edward Erickson of Escanaba will show slides of their trip to Australia and New Zealand. Hostesses will be Mrs. Alfred A. Anderson and Mrs. Clarence Anderson.

First Methodist

Tuesday, Sept. 13, 6:45 a.m.—Men's breakfast fellowship at the Sherman Hotel. 7:30 p.m.—Commission on Membership and Evangelism will meet in the Sawyer Hall lounge.

First Presbyterian

Tuesday, Sept. 13, 2 p.m.—Circles 1, 2 and 3.

Ever fill green pepper shells with tomato aspic? After chilling, slice into rounds and serve with lettuce and salad dressing. To keep the peppers upright while filling with the aspic, you may want to set them in muffin or custard cups.

# Women's Activities

## Miss Oklahoma Wins Miss America Title

ATLANTIC CITY, N.J. (AP) — They're dancing in the streets in Oklahoma but it looks like the Sooners will have to wait at least a week to welcome home their winner.

Jane Ann Jayroe, a basketball-bouncing, baton-wielding brunette from Laverne, Okla., today begins to find out the rigors of being Miss America.

From the moment she was crowned Miss America of 1967 Saturday night here, she has faced one camera flash after another. Today she goes to Philadelphia for a television interview.

Then starting tonight, she'll spend at least a week in New York taking the first steps of her 200,000-mile journey as Miss America. Her personal appearances will bring her an estimated \$75,000, but, above all, she's looking forward to the experience.

## Methodist Ladies Attend Workshop

Mesdames Arvid Mustonen, Jr., Konstantin Wipp and Donald Ness of the First Methodist Church left this morning for Hermansville to attend the Marquette District, Woman's Society Workshop.

The morning session will begin at 9:30 a.m. with a message from the district president, Mrs. George Wylie of Menominee.

The guest speaker for the afternoon will be Eugene Moore. Reports will also be given by the district secretaries.

The theme for the program session is, "Rich Man, Poor Man, Beggar Man, Chief." The theme hymn for the coming year will be, "The Voice of God is Calling."

For example, she has never traveled in an airplane.

"I'm looking forward to it," she said Sunday. "But with butterflies."

Oklahoma seems impatient for her triumphant return. As the news came to her hometown of 1,937 inhabitants, horns blew, people shouted. Even the fire sirens sounded.

And celebrations were held all around the state. Oklahoma City University students indicated they might walk out of their classes and even the school's president said:

"A walkout is as good a way as any to show the school's enthusiasm for Jane Ann. It's an old OCU custom to walk out, and I'm glad to see it come over something like this."

A street dance was planned. One persons waiting for the homecoming has a vested interest. He dates her.

Says Rick Schuerman, an OCU junior from St. Louis: "I think modesty is her best quality. She's been in quite a few beauty contests and won every one of them and she's the same old girl."

Jane Ann — Jay-Jay, informally — displayed her charm for newsmen here Sunday. She spoke of her ambitions to be an orchestra conductor but lamented a "prejudice against women conductors."

Asked how to spend an evening in Laverne, she answered: "In the summer there's the drive-in and in winter there's basketball."

Her love of music and basketball both come from her family. Her father, E.G. (Pete) Jayroe, coaches the Laverne High School team. And she comes from four generations of music teachers.

SAILING INTO her year as Miss America, Oklahoma's Jane Jayroe, wearing her crown and a big smile poses at a ship's wheel as she faces her year as Miss America 1967. The 19 year old junior at Oklahoma City University, from Laverne, Okla., was named at the close of the Miss America Pageant in Atlantic City Saturday night. (AP Wirephoto)

## Social-Club

Square Dancers

The Cotton 'n Jeans Square Dance Club of Iron Mountain, will hold a dance on Saturday, Sept. 17th at 8:30 p.m. at the K. C. Hall. The caller will be Bob Holup from Wausau, Wis. All square dancers are cordially invited.

Golden Age Club

The Golden Age Club will meet at 6:30 p.m. Tuesday at Lott Severinsen.

Club 314 for a pot-luck supper. Dancing and cards will follow and new members are welcome to attend. Members are asked to bring their own table service.

Past Noble Grands Club

The Past Noble Grands Club of Phoebe Rebekah Lodge will meet Tuesday, Sept. 13 at 7 p.m. at the Odd Fellows hall, N. 10th St. The hostesses are Mrs. Evelyn Petersen, Mrs. Rose Anderson, and Mrs. Char-

## St. Francis Auxiliary To Meet Wednesday

St. Francis Hospital Auxiliary will hold its opening meeting of the season Wednesday, Sept. 14 at 2 p.m. in the Doctor's Room of the hospital. The general meeting will be preceded by a meeting of the Executive Board at 1 p.m. A good attendance is desired as committee appointments and plans for the years activities will be announced.

Mrs. Irwin Gibbs, president of the Auxiliary, extends an invitation to all women of the community who are interested in donating their services to Auxiliary activities, which includes staffing of the Gift Shop, visitor control desk, utility cart or Work Shop.

There will be a special meeting of the Gift Shop committee after the regular Auxiliary meeting. Members are Mrs. James G. Degnan, gift shop chairman; Mrs. Ralph Anderson, art group chairman; Mrs. Raymond Fish, workshop; Mesdames Robert Hirt, Fred R. Hoyer, Joseph LaCrosse, Roy T. Starrin, William J. Smith, Irwin Gibbs, general membership and Mrs. Donald Wertz will act as chairman of personnel.

## Crazy Hat Day At Highland

A Crazy Hat day will be held Wednesday at the Highland Golf Club and will close the ladies activities for the year. Golfers are to make their own pairings and there will be a draw prize as well as prizes for hat winners.

This being the closing business meeting and dinner no guests will be allowed.

Mrs. William Call is chairman of the day and she will be assisted by Mrs. Palmer Derouin, Mrs. Ted Derouin, Mrs. James Fitzpatrick, Mrs. John Greis, Mrs. Tom Egeert, Mrs. Ralph Sarnowski, Mrs. Alex Malmstead, Mrs. Robert Loo-deen and Mrs. Arnold Hanne-mann.

## Personals

Mr. and Mrs. James Davidson Jr., have returned home after spending four days in Grand Rapids attending the 15th Annual Mich. State Carpenters Convention. Mr. Davidson was re-elected 2nd Vice President and Arvin Briggs of Marquette was re-elected Board Member. Both men represented the Upper Peninsula on the Executive Committee of the Michigan State Carpenters Council.

## Births

MARENGER—Mr. and Mrs. Wallace A. Marenger, 506 S. 9th St., are the parents of a boy, Mathew Garrett, born Sept. 11 at 1:03 p.m. The infant weighed 9 pounds, 2 ounces. Mrs. Marenger is the former Patricia Garrett.

SANFORD — Mr. and Mrs. Melvin W. Sanford, Gladstone Rte. 1, are the parents of a girl, Brenda Ann, born Sept. 12 at 1:09 a.m. The infant weighed 8 pounds, 1 ounce. Mrs. Sanford is the former Delores LaFave.

## Hermansville

Altar Society

St. Anne's Altar Society of St. Mary's Church, Hermansville, met in the parish hall on Tuesday evening. Rev. Gervase Brewer, pastor, addressed the meeting and talked of future plans and projects for the parish. He thanked the society for their help and effort in the recent successful raffle and cake walk, the largest single annual activity in the parish.

Rev. Brewer announced that First Holy Communion in the parish would be held on Oct. 30, the Feast of Christ the King. The Ursuline sisters will again have charge of the classes of religion and schedules will be announced later.

Through small parties by individual members, the Society earned \$25 to contribute toward the purchase of a new organ at the Pinecrest Medical Care facility at Powers, an area project.

Mrs. Melvina Ayotte reported on her trip to the Shrine at St. Anne de Beaupre. She submitted samples of medals the society might order for use in membership enrollments.

Attends Congress

Mrs. Frank Rodman, parish organist and choir director, recently attended the Fifth International Church music congress at the Milwaukee auditorium. The first congress to be held since the Vatican II council, one of the purposes of the meeting was that the works of sacred music and the study of the heritage of this art might be advanced. It was called to help in the solution of practical problems, to resume good music, and to insure participation by the laity. Catholic educators, scholars, musicians, choir directors and organists from many countries were represented.

## Who'd do a repair job for you at midnight?

### Your Michigan Bell telephone repairman!

Your telephone seldom if ever gets out of order. But suppose it does—late at night when you're expecting an important call; or on the weekend when someone is sick. Just call our repair service.

We'll fix it! And with no extra charge.

IF IT'S AN EMERGENCY TO YOU ... IT'S AN EMERGENCY TO US.

We've improved our after-hours service by creating new regional service centers. If necessary we can dispatch a repairman to meet your emergency.

Or if it's trouble on the line we may be able to take care of it from the central office without a visit to your home.

This is one of many ways Michigan Bell strives to bring you the best possible telephone service.

**Michigan Bell**  
Part of the  
Nationwide  
Bell System

## In This Corner

with Roy Crandall

Ontonagon, a team that blasted Beraga by a 60-0 margin in the first week of Upper Peninsula football action, found the going a little tougher the second time around. Coach Dick Koski's Polar Bears bowed to L'Anse, 12-8. A rugged L'Anse defense limited Ontonagon to a net eight yards gained in the contest as the Hornets notched their second victory of the campaign.

Dick Berlinski, former Flivver Flash from Kingsford, is listed in the Michigan State football depth chart as the No. 2 right halfback on offense, behind All America Clint Jones. He is also listed as the No. 2 punter behind Dick Kenney. The all-time Upper Peninsula high school grid scoring champion will wear No. 22 on his uniform at Michigan State, the same number he made famous at Kingsford. Bob Brawley of Sault Ste. Marie is listed as the No. 1 defensive right guard and Dwight Romagnoli of Kingsford the No. 2 defensive left tackle on the Spartan chart.

Five teams in the Big Seven Conference will launch a fall baseball program this week. Competing in the loop will be Felch, Alpha, Carney, Hermansville and Channing. Two other schools in the conference, Powers and Pembine, compete in football.

Brooke Smith, former Northern Michigan University basketball player under Coach Stan Albeck, has been named head coach at Stambaugh High School where he will succeed George Grallier who resigned recently. Smith, who graduated last spring, is a native of Petoskey and played both basketball and tennis at Northern.

Negaunee stamped itself as the team to beat in the Great Lakes Conference as the Miners spilled highly regarded Ishpeming, 19-6, Friday night. Coach Lodie Morris keyed his defense on Bill Zhulke who had scored five touchdowns against Manistique the week before. He failed to get on the scoreboard against Negaunee, although hitting on eight passes good for 107 yards.

Antigo, a 26-7 winner over Escanaba in the season opener, played a 7-7 tie with Marinette the past weekend. Fullback Dennis Prebaski scored Antigo's lone TD and gained 119 yards in 27 carries. Escanaba plays Marinette here Oct. 15.

Michigan high school football has stolen a page from baseball's book this season. If the prep games seem to be lasting longer this year, it's only because they are. A new rule put into effect this fall stops the clock after every first down and on each change of team possession. The result is about 10 minutes extra time needed to complete the games.

## Pack Defense Cools Colts In First Game

By The Associated Press  
Lee Roy Caffey plays line backer for Green Bay and hides 'n' seek against Baltimore.

Caffey won at the kiddie game against Johnny Unitas when he swiped a second-period pass and rambled 52 yards to the touchdown that triggered the Packers' 24-3 victory over the Colts Saturday night.

The National Football League opener matched the opponents in last season's memorable Western Conference playoff and the Packers, who squeezed through last December with Unitas sidelined, won easily this time.

They did it by embarrassing Baltimore's peerless quarterback, with three interceptions, two of them providing touchdowns in the final moments of the first half.

Unitas, who sat out the 1943 championship game with a bad knee, was leading 3-0 late in the second period when he threw a pass intended for Raymond Berry.

"I never saw Caffey," Unitas said later. "Berry was wide open when I looked."

It was Caffey who was wide open when Unitas threw. The 250-pound line backer, who can run the 100 in a fraction over 10 seconds, dashed 52 yards for the touchdown.

In Sunday's opener, Cleveland ripped Washington 38-14. Los Angeles spoiled Atlanta's debut 19-14. Detroit upset Chicago 14-3. St. Louis outlasted Philadelphia 16-13. Minnesota rallied to tie San Francisco 20-20 and New York and Pittsburgh battled to a 34-34 deadlock.

## Northern Nails Iowa Outfit In Football Opener

By The Associated Press  
Central Michigan took an early lead over Wisconsin State-Whitewater but received a terrible beating in the second half losing 40-16 as Michigan's college football season opened during the weekend.

In the only other weekend game, Northern Michigan University held State College of Iowa to 94 yards total offense to win their opener 21-0 Saturday.

Meanwhile, the state's two Big Ten Conference teams prepared for their opening games next Saturday.

Michigan State, picked by the Associated Press as the No. 2 team in the nation, held a scrimmage Saturday which resulted in an injury to quarterback Jimmy Ruffe.

Raye suffered a slight strain in his right leg when an onrushing lineman fell on him while Raye was holding the ball for an extra point attempt.

The play came on the final touchdown as the varsity snatched the reserves 50-3.

Despite the score, Spartans coach Duffy Daugherty said he was not pleased with his offense. He indicated the 24-3 lead after three quarters was not good enough.

Raye scored on a sneak and fired a 23-yard scoring pass to end Gene Washington. Quarterback Charles Wedemeyer scored on a 13-yard run and linebacker Bob Brawley got the other touchdown on a 30-yard pass interception.

MSU meets North Carolina State next Saturday.

University of Michigan Coach Bump Elliott still hadn't decided whether he will start left halfback Jim Detwiler when the Wolverines open the season in Ann Arbor Saturday against Oregon State.

Detwiler showed improvement in a weekend scrimmage as the varsity came up with a 40-0 victory. He picked up 30 yards in five carries, but Elliott said that on a couple of runs Detwiler

led the team to victory.

Bert Coan Makes Good

By The Associated Press  
Bert Coan, the controversial halfback who always has been on the run, finally has gained something besides notoriety.

The new man in the Kansas City backfield, Coan put on the best performance of his five-year pro career Sunday as he ripped off 101 yards rushing in 11 carries and scored two touchdowns in the Chiefs' 42-20 American Football League victory over the Bills.

It was the first regular season game for the Chiefs and the first indication that Coan is ready to live up to his potential.

He's had his heartaches and disappointments," said Coach Hank Stram. "And it's just great to see him pulling himself out of the jungle. He just scratched the surface against Buffalo. Once Bert makes a few long runs — watch out."

He hit the headlines when he transferred from TCU to Kansas

in a cause celebre. He hit the headlines when he became the center of a recruiting case that ended with Kansas stripped of the Big Eight title. And he hit the headlines when he supposedly accepted a trip paid for by the San Diego Chargers.

He also broke his leg.

So Coan decided to quit college and signed with the Chargers, who eventually shipped him off to the Chiefs in 1963. But a year later he walked out of the Kansas City camp, saying only: "I'm tired of this stuff."

He eventually returned but was rarely used, gaining only 293 yards rushing in three years. But this season, the Chiefs, needing a replacement for the late Mack Lee Hill, gave him a long look during the exhibition season — and he produced.

He produced well enough against the Bills to boost the Chiefs' stock in the Western Division.

## Esky Loses Second In Row; Cvangros Indicates Shakeup

By RAY CRANDALL  
(Press Sports Editor)  
MENOMINEE—If the Escanaba Eskymos could eliminate the first half of their game against Menominee here Saturday night they would have a 4-0 victory in the record book.

As it is, Escanaba suffered its second successive setback of the season, 18-4.

Coach Jerry Cvangros called on his reserves in the second half and apparently liked what he saw. "There will be a wholesale shakeup in the starting lineup by the time we play our next game," the Escanaba mentor stated following the defeat.

Outplayed in Line  
For the second straight week the Eskymos were outplayed in the line as Menominee punched big holes in their defense. The Maroons also threw up an air-tight pass defense that produced four interceptions on quarterback Jim Boyle's tosses.

Boyle completed four of 21 passes for 36 yards.

Bill Bellefeuille carried the brunt of Escanaba's ground game with 62 yards in 14 trips while sophomore halfback Dan Mylander came through with 46 yards, all in the second half.

Tom Mayou engineered Menominee's offense from the tailback spot in the single wing attack which new coach Ken Hofer has introduced this fall. He scored two of Menominee's touchdowns on runs of 4 and 43 yards. The third came on a 31 yard run with an intercepted pass by Dale England.

The pattern of the game was established early as England intercepted a pass on the Maroon 28 to kill an Escanaba threat. Shortly after a 45 yard quick kick by the Maroons, England covered a Bellefeuille fumble on the Escanaba 38.

Nine plays later Mayou slammed in from the four yard line and Menominee led 6-0.

Interceptions Hurt  
Early in the second half England again zeroed in on a Boyle aerial and cruised 31 yards for a TD to make it 12-0. The Maroons continued to dominate the action and midway in the period Mayou broke loose for a 43 yard touchdown run to spread the margin to 18-0.

Escanaba drove into Menominee territory shortly before the half but the threat was halted when Joe Kaufman intercepted another pass on the Maroon 15.

The Eskymos put a stop to Menominee's offense through the third quarter and moved the ball to the Maroon 36 and 40 for an improved performance.

Early in the fourth quarter sophomore John Mileski nailed Ray Gignac in the end zone for a safety and two points. Boyle booted a beautiful punt to the Menominee two yard line to set up the play.

Get Week Off  
An interception by Dewey Belleisle in the Menominee end zone wiped out any Escanaba comeback hopes in the fourth quarter but the Eskys reserves moved the ball to the Menominee 18 before losing possession on downs late in the game.

The Eskymos picked up another two points in the closing minutes when a bad pass from center chased Mayou into his own end zone where he fell on the ball for an Esky safety.

Escanaba gets a week off and returns to action in a Great Northern Conference home stand against Kingsford Sept. 24.

Clay Injured Right Hand In Title Defense

CHICAGO (AP) — Cassius Clay, fresh from his latest ring conquest, smiled at cheering fans and pushed back the right sleeve of his dark blue suit to exhibit his puffed right hand.

"Maybe I got a fractured right hand," Clay told newsmen who were waiting Sunday at O'Hare International Airport when the unmarked, 24-year-old champion returned from West Germany.

Saturday, Clay stopped Karl Mildenberger in 1:30 of the 12th round to defend his heavyweight title for the sixth time.

Clay, who smashed Mildenberger to the deck in the fifth eighth and 10th rounds, said he was ready for the German's southpaw style.

The TKO was the 21st knockout for Clay who, unbeaten in 26 pro fights, made his fourth title defense in six months.

There are 102 former Big Ten athletes playing on the National Football League teams this year.

Crusader JVs In Second Win

The Holy Name junior varsity team captured its second straight victory of the season by defeating Kingsford, 37-6.

Last week the Crusader jayvees defeated Iron Mountain, 33-19, in their opener.

Join the Unswitchables. Get the filter cigarette with the taste worth fighting for. Tareyton has a white outer tip and an inner section of charcoal. Together, they actually improve the flavor of Tareyton's fine tobacco.

TOM NOWATZKE, Detroit Lion fullback (35), finds running room and cuts through defense from the six yard line for a touchdown in the second quarter of the game against Chicago Sunday. Lions won, 14-3. (AP Wirephoto)

## Chalk One Up For Old Pros

DETROIT (AP) — Chalk one up for the Lions' "old pros."

The Detroit Lions made a number of followers forget a dismal preseason record by stalling the Chicago Bears 14-3 in their regular season opener Sunday.

"We're an older club and just can't get high for an exhibition game," said Captain Alex Karras who spearheaded the rugged Lions football defense.

Yell Is Named Top Sportsman Among Drivers

Allan Yell of Marquette took the spotlight Saturday night in the final evening of regular stock car racing at the Escanaba Fairgrounds track.

Yell won the modified time trials and placed third in the feature, and was presented with the coveted trophy for displaying the best sportsmanship qualities during the racing season.

Tom Warren of Ishpeming, Tom Waseleski of Beaver Grove and Jerry Richer of Schaffer were double winners for the night.

Modified: Time trials, Allan Yell, Marquette, 20.45. First heat, Tom Waseleski, Beaver Grove; Wheaton Williams, Escanaba; Wayne Edwards, Wells. Second heat, Jerry Richer, Schaffer; Bill Ansell, Manistique; Arshell Ruppard, Escanaba. Semi, Tom Waseleski, Beaver Grove; Wheaton Williams, Escanaba; Glenn Anderson, Escanaba. Feature, Jerry Richer, Schaffer; Bill Ansell, Manistique; Allen Yell, Marquette.

Women's Church Dartball Meet

An organizational meeting of the Women's Church Dartball League will be held Sept. 13, at 7:30 p.m. at First Lutheran Church, Gladstone.

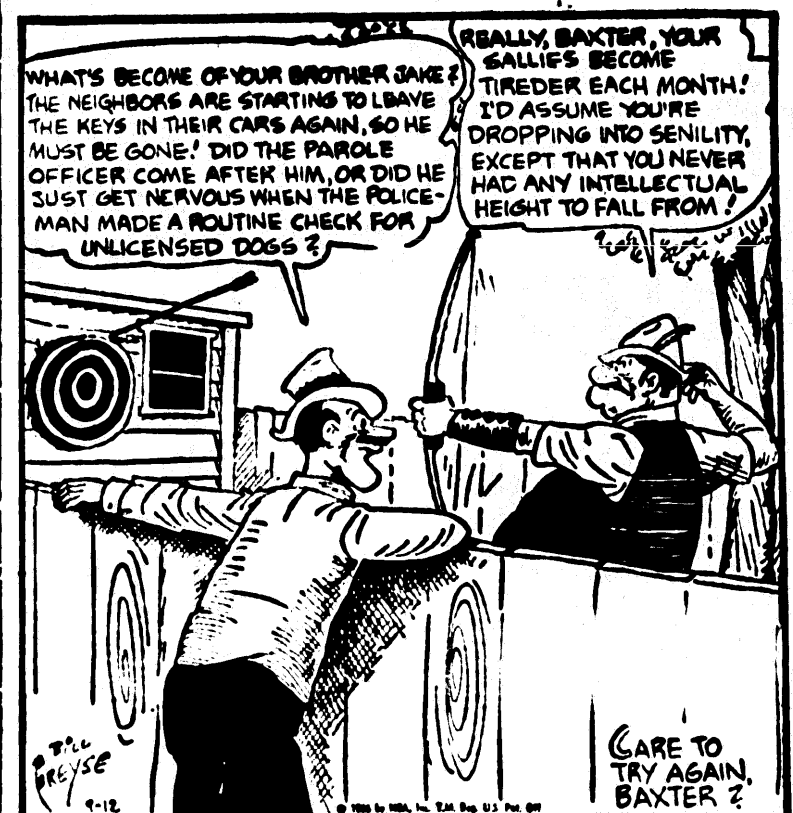

OUT OUR WAY

by J. R. Williams

OUR BOARDING HOUSE with Major Heepie

Manistique News

SEAMAN apprentice Ronald R. Lynta, son of Mr. and Mrs. Francis Lynta, arrived in Manistique Sept. 9 after graduating from 11-week recruit school at San Diego, Calif. He will report Sept. 27 in New London, Conn., to attend an 8-week session at the Naval submarine school.

Rapid River

St. Charles School Board will meet Sunday Sept. 11 at 8 and 10 a.m. only.

**School Board Meeting**  
Rapid River School Board will meet tonight, Monday, Sept. 12, 7:30 p.m. in the multipurpose room of the Bay de Noc Elementary School. The public is invited.

The combined boards of Rapid River and Isabella Congregational churches will meet Tuesday, Sept. 13, 7:30 p.m. at the Rapid River church parish hall. Rev. Frank Jensen and Rev. Henry Kroehler from the United Church of Christ Conference Office in Lansing will meet with the board members. Everyone in the churches are invited to attend this meeting.

Karen Sundquist, Pat Larabee of Rapid River, Roland Jacobson, Stonington, and Cindy Safford of Ensign left Sunday for their freshman year at Northern Michigan University at Marquette. All are graduates of Rapid River High School.

New residents of Masonville are Mr. and Mrs. Robert Utterbach and daughters, Kathy and Carol. Mr. Utterbach is employed with the State Highway Department and Mrs. Utterbach is teaching school at Kipling. The Utterbach family formerly lived in Lower Michigan.

**Baptism**  
Lee Erwin Mahalic, infant son of Mr. and Mrs. George Mahalic, Jr. of Escanaba, was baptized Sunday during the morning worship service. Rev. Philip C. Meili performed the baptism. The infant's sister, Patty Mahalic, was named god parent. Lee and Patty are grandchildren of Mr. and Mrs. Hugh Harris of Rapid River. Mrs. Mahalic is the former Karen Harris.

Rock

Mr. and Mrs. Wilfred Noel and sons of Flint and Ernest Noel, Menasha, Wis., have returned home after visiting at the home of Mrs. Clara Lindstrom. Mr. and Mrs. Edward Lindstrom and family of Sundell also visited with Mrs. Lindstrom.

Mrs. Osmo Aalto is returning to Rochester, Minn., for further treatment.

Mr. and Mrs. Allen Salmi were honored with a wedding reception at the Rock Lions clubhouse Saturday, Sept. 3. Miss Darlene Wouri of Baraga and Allen Salmi of Rock, were married Aug. 27, at the First Lutheran Church in Pelkie. They will make their home at 2307 Presque Isle Ave., Marquette.

Mr. and Mrs. Raymond Mitchell, Ray Jr., Patrick and Rodney of Muskegon, are vacationing for eight days at the home of Mrs. Mitchell's father, Selmi Maki. This is the first time Maki has seen his youngest grandchild, Rodney. The Mitchell family and Selmi Maki were Saturday night dinner guests at the home of Mr. and Mrs. Leroy Maki, Gladstone, and Sunday dinner guests at the home of Mr. and Mrs. Arvo Huttula. They also are visiting other friends and relatives in the area.

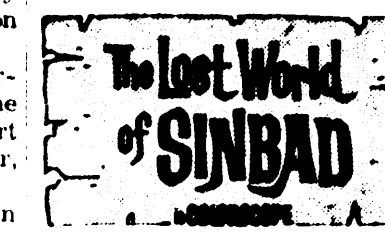

Uninsured Claim

LANSING (AP) — An Ontario man has collected \$402 from Michigan's uninsured motorist fund, under a Michigan-Ontario agreement that each state's fund will cover citizens of the other. Secretary of State James Hare reports. Michigan's plan to handle claims from innocent victims of uninsured motorists was patterned closely after Ontario's. Earl Evoy of Sault Ste. Marie, Ont., collected the damages after his car was struck in Flint by a Detroit motorist.

A GREAT COMEDY!

GLADSTONE

Night Expensive For Youths, 20

It was an expensive night for a pair of 20-year-old Schaffter youths.

Gary J. St. John and Gary L. Derouin, who were stopped by State Police at 2:15 a.m. Saturday on U.S. 2 and 41 west of Escanaba, paid fines and court costs totaling \$100.14 when arraigned on traffic and minor in possession of beer charges before Justice Ross Davis of Gladstone.

St. John paid fine and costs of \$35 after pleading guilty to a speeding charge and also fine and costs of \$32.57 after pleading guilty to being a minor in possession of beer. Derouin also paid \$32.57 on the minor in possession charge.

Briefly Told

State Police are investigating a breaking and entering of hunting camp near Rock owned by the Harbor Springs, Mich., Gun Club. Troopers said entry was gained by breaking a window. Some small items and tools were missing, officers reported.

Traffic summonses were issued over the weekend by State Police to Paul A. Sidbeck, 505 N. 16th St., no proof of insurance; Earl L. Callihan, Lawrenceburg, Ind., improper parking in restricted zone; Karen R. Sundquist, Rapid River, speeding; Harold E. Lesner, Rte. 1, Escanaba, speeding; Emmanuel L. Tardiff III, Rte. 1, Escanaba, defective brakes; Clinton J. Plouff, Rte. 1 Gladstone, no proof of insurance.

Social

Coterie Meets Tuesday

The Coterie will meet at 8 p.m. Tuesday with Mrs. Norman Knutsen entertaining at her family home, the Beaton home, in Spalding. Mrs. R. A. Watson will bring the president's greeting and Mrs. Carl Olson will review "There Goes What's Her Name," by Virginia Graham.

All six New England states have eradicated brucellosis, a costly livestock disease, from their cattle.

FPC Asked To Grant Electric Rate Reduction

LANSING (AP) — More than 16,500 Upper Peninsula electricity customers of Wisconsin Michigan Power Co. would save about \$126,700 a year if the Federal Power Commission approves a proposed rate reduction, state officials say.

The Michigan Public Service Commission, which also is considering the proposal, said completion last spring of a 345,000-volt transmission line from Milwaukee to Minneapolis would make the rate cut possible.

The total rate reduction, including electric power for customers in northern and east-central Wisconsin, would be more than \$300,000.

The company estimated savings to Michigan customers of \$52,400 for residential users, \$3,800 for farm users, \$47,500 for small business, \$11,500 for industry and \$11,500 for distributors buying power wholesale.

The firm serves Iron, Baraga, Houghton, Ontonagon, Gogebic, Dickinson, Menominee, Marquette, Alger, Delta and Schoolcraft counties in Michigan.

City Briefs

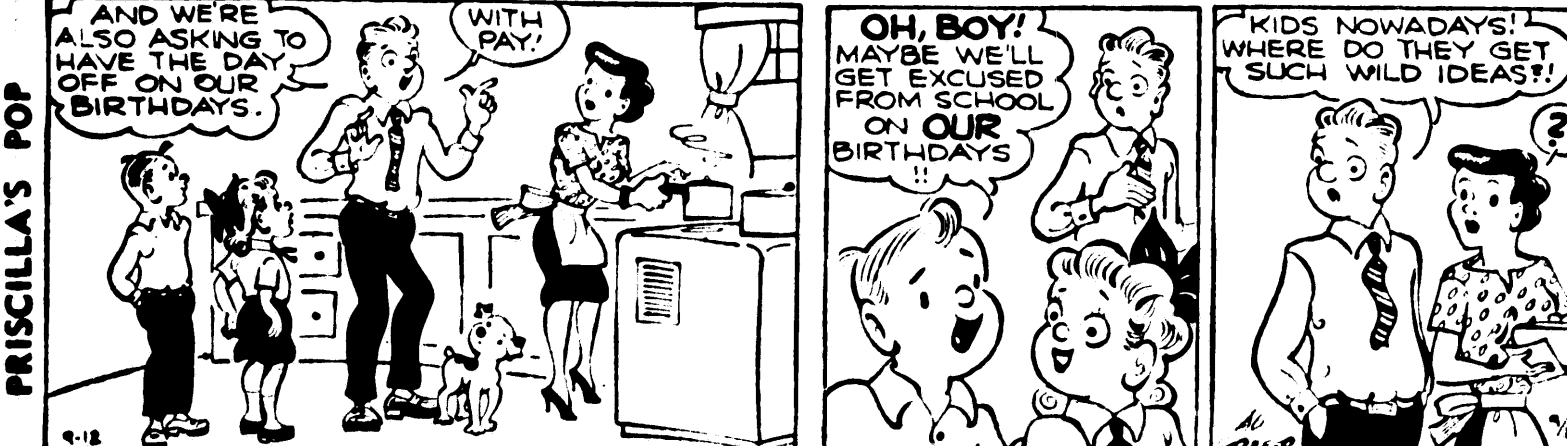

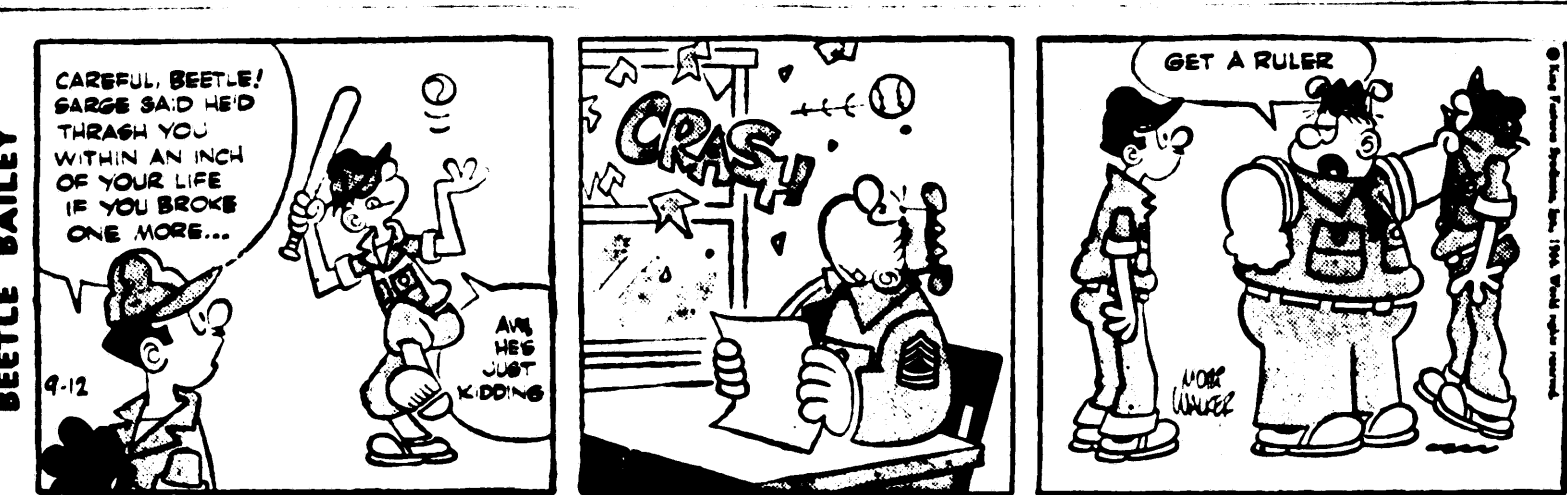

Mrs. Alphonse Dementier and Mrs. Mickey Snowsater attended the Profession Ceremony of Sister Mary St. Peter, the former Agnes Cannon, at the House of the Good Shepherd, St. Paul, Minn., on Thursday. They also visited Mrs. Irene Durmick at Minneapolis over the weekend.

Toni Bal, daughter of Mr. and Mrs. Joe Bal, Route 1, Gladstone, left Labor Day for Grand Rapids where she is enrolled as a freshman at Aquinas College. Toni is a 1966 graduate of Holy Name High School.

Mr. and Mrs. E. A. Glassford, of Detroit, are guests at the J. P. Kegeles home.

Ohlendorf Named

EAST LANSING (AP) — The Michigan Education Association has appointed Karl H. Ohlendorf as assistant executive secretary for instruction. Ohlendorf will coordinate efforts to improve instruction by the MEA and Michigan schools.

## Heaviest Raids Of War Strike At North Reds

SAIGON, South Viet Nam (AP) — American warplanes pounded North Viet Nam with the heaviest raids of the war Sunday, the U.S. command announced.

B-52 bombers struck today at North Vietnamese troops in the demilitarized zone in follow-up raids to tactical strikes made Sunday by Air Force Canberra and Phantom bombers.

A U.S. spokesman said American pilots flew a record 171 missions against the Communist North hitting at bridges, fuel depots and transportation facilities in the Hanoi and Haiphong areas and the southern Panhandle.

Pilots taking part in Sunday's raids reported damaging or destroying 107 cargo barges, 11 junks, 19 bridges, 38 supply buildings, 13 trucks and one missile site.

Over South Viet Nam, U.S. pilots flew 363 strike sorties Sunday, claiming more than 200 enemy bunkers, tunnels, huts, trenches and fortified positions were destroyed or damaged. A sortie is a single combat mission by a single plane.

Ground action in South Viet Nam continued in a lull and United States and Vietnamese military spokesmen reported no major enemy contacts.

## Frans Carlson Dies Sunday

GLADSTONE — Frans Victor Carlson, Gladstone, died Sunday noon at a hospital in Stanley, Wis.

He was born Nov. 2, 1884 in Lappfjod, Finland. He came to America in 1904. He married the former Amelia Furness who preceded him in death in 1955. He was employed by Soo Line Railroad as a section laborer until he retired in 1950.

Surviving are one daughter, Mrs. John (Linnea) Bishop, Owen, Wis., and one son, V. Hilding, Gladstone; 11 grandchildren and nine great-grandchildren.

Funeral arrangements are incomplete. Burial will be in Gardens of Rest Cemetery.

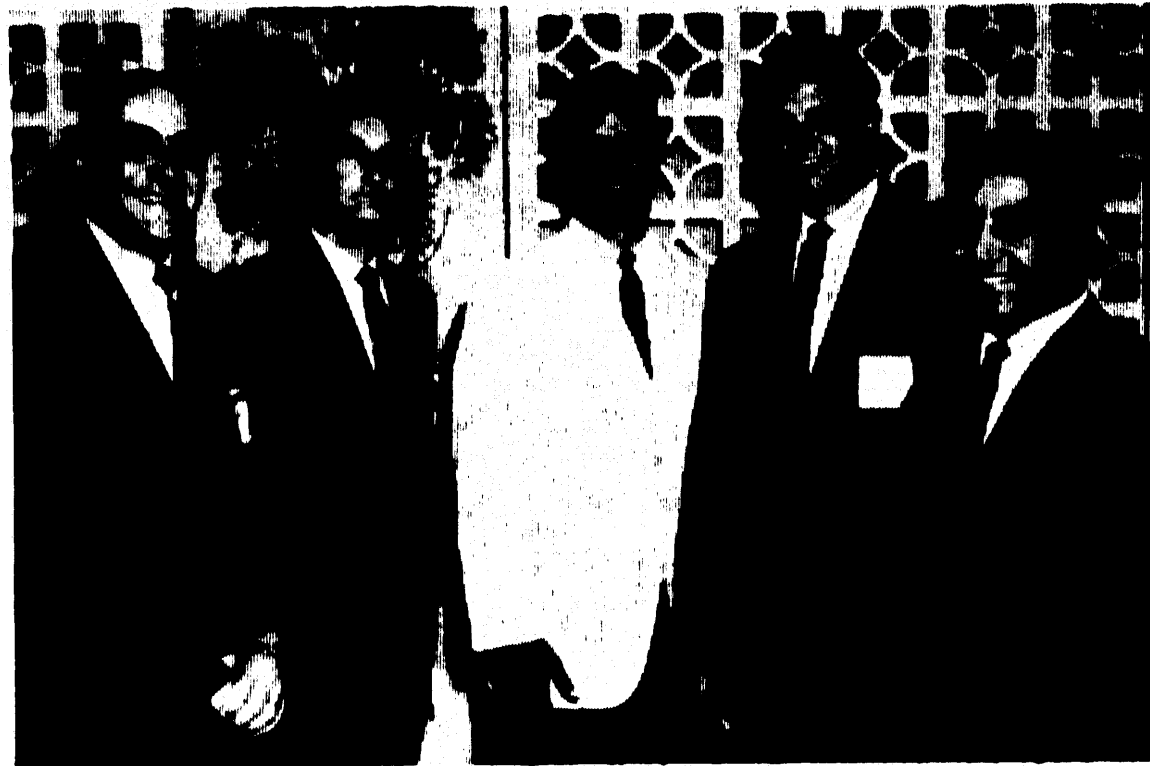

## School Awards Furnace Contract

HERMANVILLE — Berger & Robinson Plumbing and Heating of Escanaba was retained to install a gas furnace in the high school by the Board of Education.

In other action, the Board completed the school staff by hiring Richard Langerhausen as junior high English instructor; adopted a school policy on General Education Development tests; set school dismissal time at 3:30 p.m., and gave Supt. Donald Hill permission to attend the school superintendent's meeting at Mackinac Island this month and also a federal aid to elementary education, Title I, meeting at Marquette Sept. 29-30.

## Two U.P. Counties On Stamp Plan

WASHINGTON (AP) — President Johnson announced over the weekend that Michigan counties would be included in an expansion of the federal Food Stamp Program. They include Crawford, Gratiot, Ingham, Iron, Jackson, Keweenaw, Midland and Washtenaw.

FALL MEETING of the Upper Peninsula Optometric Society in Escanaba in the weekend brought together these leaders of the profession. From left: Dr. Walter Norris, Marquette, president of the society; Dr. Fred Stone, commander of the medical unit at K. I. Sawyer Air Force Base; Dr. William Hemes, president-elect of the Michigan Optometric Society; Dr. Boyd Banwell, Williamston, Mich., outgoing president of the Michigan Society, and Dr. A. A. Gossan, Escanaba, chairman of the arrangements committee. (Daily Press Photo)

## Optometrists View Gains

## Prepaid Eye Care Coming

A filmed report and lecture on the National Aviation and Space Administration Gemini visual acuity experiment was featured Saturday night at the fall meeting program of the Upper Peninsula Optometric Society dinner meeting at The Terrace Supper Club.

Dr. Axel Wickstrom, Iron River, a violinist with the Northwoods Symphony, Mrs. Clare Garard and Mrs. Alfred Gossan entertained with musical selections. The optometrists' Sunday meeting was devoted to professional subjects and the problems of medicare and prepaid vision care plans now coming into use.

Dr. Boyd Banwell, Williamston, Mich., president of the Michigan Optometric Association, said that increasing demands upon the eye care professions make it imperative that the optometric profession make certain that the highest level of professional care is continued available to the public.

Michael Lapere, Lansing, executive secretary of the MOA, reported on the near completion of Michigan Vision Services, Inc., which will operate much the same as Blue Cross in Michigan, providing prepaid vision care to group members and their families.

Dr. Robert Britton, Charlevoix, a member of the State Board of Optometric Examiners, said that the time is not far off when every youngster will be required to show proof of a complete eye examination before entering school to insure proper utilization of his capabilities and that of his teachers.

Attending from Delta County were Dr. and Mrs. William Hemes (he is president-elect of the MOA), Dr. and Mrs. H. Gossan, Jr., Dr. and Mrs. A. A. Gossan, and Dr. and Mrs. D. A. Jondrow.

## Brown-Reagan Race Heats Up

LOS ANGELES (AP) — California's gubernatorial race, already a spectacular, heated even more today after the first face-to-face encounter between Gov. Edmund G. Brown and his Republican challenger, actor Ronald Reagan.

They met — not in the proposed debate that Californians fervently hope to see — but on a national television program, NBC's "Meet the Press."

Each came away with something to crow about. Brown, a Democrat, received a telephone call from President Johnson complimenting him on his vigorous defense on the program of the President's policy on Viet Nam.

Reagan found the opportunity off-camera — to remind Brown that the governor once presented him with a good citizenship award. That was in 1953. In the television program, Brown called Reagan "an enemy of the people."

In fact, the off-stage scenes constituted a good show in themselves.

## China's Purge Hits Governor

TOKYO (AP) — Communist China indicated today that Chen Yu, governor of China's rich and populous southern province of Kwangtung — Canton — has been sacked. It identified Vice Governor Lin Li-ming as acting governor.

Chen's removal from the office he has held since 1957 was seen in an announcement that said Lin had, with Canton Mayor Tseng Sheng, received a Congolese parliamentary delegation Sunday in Canton. There was no other indication of when or why Chen had been replaced. Lin spoke at a later banquet for the group and was identified as acting governor at a rally in Kwangchow in honor of nine Chinese seamen allegedly killed by U.S. planes in the Gulf of Tonkin.

Chen's province has been in hot water over the Red Guard movement. Mayor Tseng Sheng was reported to have been man-handled by the youths Sept. 3 when he advised them against using force on Chinese visitors from Hong Kong and Macao.

## Fight Of Women Blocks Publication Of Detroit Paper

DETROIT (AP) — All of today's editions of the morning Detroit Free Press were suspended from publication because of what management said was a dispute with union printers over the firing of two composing room employees.

The dispute "arose over discharge of two composing room employees for fighting on the newspaper's premises," John B. Olsen, Free Press general manager, said in a statement. A fight between two women employees reportedly took place Saturday night.

Members of Local 18 of the Detroit Typographical Union called a chapel meeting at the start of the afternoon shift Sunday to protest the firings. The union asked management to rescind its action, Olsen said.

Management proposed employees start work immediately and that the discharges be submitted through established grievance procedures today, Olsen said.

He said the union rejected this proposal and Free Press management then announced publication was suspended.

## Fair Tops Record

SAGINAW (AP) — Attendance Sunday at the 53rd Saginaw County Fair brought the total to an all-time high of 101,096. That topped the record of 83,708 set last year. The fair runs from Sept. 10-17.

## Chicago Prices

CHICAGO (AP) — (USDA) — Hogs 5.50; butchers 25 to 50 lower; 1-2 200-225 lb butchers 24.25-24.75; mixed 1-3 190-250 lb 23.75-24.25; 2-3 240-270 lb 25.25-24.00; mixed 1-3 300-400 lb 25.00-21.25; 2-3 500-550 lb 19.50-20.50.

Rev. Philip J. Lyon

## Presbyterians Welcome New Pastor Sunday

Rev. Philip J. Lyon, formerly of Green Bay, was installed as pastor of the First United Presbyterian Church in Escanaba during services held Sunday at 7:30 p.m. A reception followed the installation. Rev. Lyon delivered his first sermon at services on Sunday morning.

Rev. Lyon is a native of Eau Claire, Wis. where he was born on Oct. 23, 1927. He graduated from Chippewa Falls High School in 1945 and the University of Wisconsin in 1950. He received his diploma from the McCormick Theological Seminary in 1953. Rev. Lyon served as a chaplain in the U.S. Air Force and also served with the U.S. Navy in 1945, 46. Since 1960 he was pastor of the Preble United Presbyterian Church in Green Bay.

He engages in and enjoys almost all active sports including tennis, bowling, golf and fishing. He also enjoys music, photography and painting.

The Lyon family includes his wife, Irma and four children, Peter Andrew, Christopher John, Kathryn Ann and Jennifer Kay. Mrs. Lyon has a degree in music and participates in community events as a contralto soloist and a member of Concert Choir. She has also taught in church school and directs in music when needed.

## Griffin Lauds NAACP Role

By The Associated Press  
Sen. Robert P. Griffin, R-Mich., told a National Association for the Advancement of Colored People (NAACP) gathering in Lansing Sunday that the vast majority of Negroes are "disillusioned and disappointed by the antics of the violent fringe."

Apparently referring to riotous demonstrations proclaiming "Black Power," Griffin said Negroes "are ready to follow wise leadership" and "this may be the NAACP's greatest hour."

Campaigning for re-election, Griffin also told the Lansing NAACP chapter: "One after another, the responsible leaders among the Negro community are declaring their separation from the false spokesmen who foment riot, rebellion and ruin — and are renewing their allegiance to NAACP and other mature organizations."

## Briefly Told

Classic League will meet Tuesday night at 8:30 at Bowl-A-Rama. Everyone is welcome.

Grolean's orchestra will play at the Pinhaven Nursing Home, Gladstone Rte. 1, through the courtesy of Musician's Union recording Fund 663.

Delta County Citizen Band Radio Club will meet tonight at 7 o'clock in room 10 at Bay de Noc Community College.

State Police are investigating a report of a breaking and entering at Dave's Wrecker Service, Wells. Troopers said apparently nothing is missing.

Howard L. Erickson of Bay de Noc Community College, is attending a conference on physics for college teachers at Trinity University, San Antonio, Texas. The three-week program is supported by the National Science Foundation.

Five Escanaba city officials have returned from the Sept. 7-9 convention of the Michigan Municipal League at Detroit. Clerk Don Guindon was a member of a panel discussing "What's Your Problem?" concerning elections and City Attorney John Erickson joined a panel discussing "A Year's Experience Under the Revised Municipal Labor Relations Act." Also attending the convention were Manager George Harvey, Mayor Harold Vanlerberghe and Councilman George Rusch.

Washington, D. C., became the permanent home of the U. S. government on Dec. 12, 1800.
